## SKOPJE PANORAMIC TOUR

TC 1103

8 hours - including visit to Matka valley and Vodno Mountain

**09:00** Tour starts from meeting point near the "Gate Macedonia", which is entrance on the main square of Skopje.

Walking tour in the new part of the city and main pedestrian zone, with visit to the Memorial house of Mother Teresa. After a light drive to nearby mountain Vodno and introducing the city with magnificent panoramic view from the mountain, arrival at the monastery of St. Panteleimon, located in the village of Nerezi. Visit to the monastery dedicated to St. Panteleimon - protector of health, with its famous and unrepeatable compositions "The Descent from the Cross" and "the Lamentation".

The Millennium Cross on the mountain above the city has been growing into one more symbol of Skopje. Sixty six meters tall, it standing at the summit of Vodno mountain (1,057m altitude)

Tour continue to Matka valley, a unique part of nature and natural beauties, located on just few kilometers from Skopje, in canyon of Treska river. Matka valley is located in the lower course of river Treska, 15km southwest of Skopje. With its geological, geomorphologic and hydrological characteristics, and the flora and fauna, it is an exceptional object of nature. The main phenomenon of this natural treasure is the canyon, a distinguished geomorphologic entity with well-preserved natural and geographic characteristics in which rare and endemic species find their escape. This outstanding work of nature, with sides 1000m high and step notches of over 250m, was created by vertical erosions of the Treska River during the long geological history. Upon arrival, a short walk to reach the monastery St Andrew and Matka Lake.

1 hour free time at Matka - possibility to have a walk along the lake, a bota tour to the entrance of cave Vrelo, one of the deepest underwater caves in Europe or simply to enjoy with coffee at nearby restaurant.

Drive back to Skopje main square where the tour ends.
